First Love

Jo Jo and I are childhood sweethearts, as well as each other's first loves.

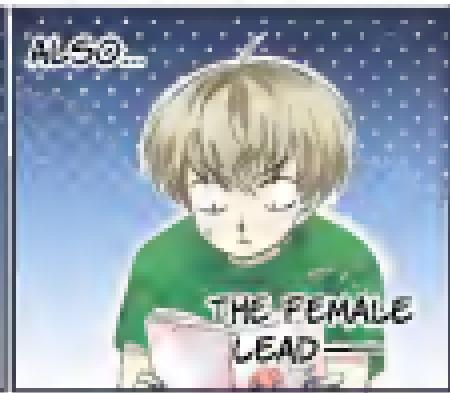

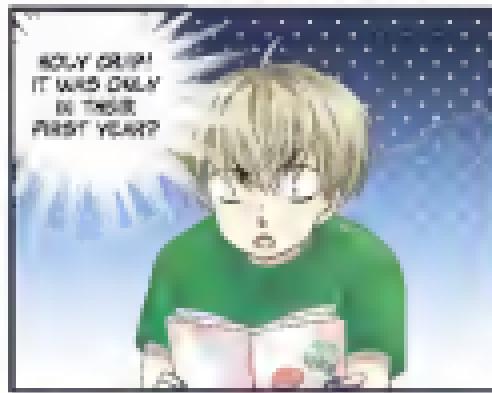

I hate
you

Sometimes, when she says she hates me,
she doesn't actually feel that way.

When she isn't saying much, I know that
she actually wants me to stay quietly by her side.

Our first kiss was in our first year of middle school.

IT SEEMS
SHOULD COMICS
HAVE OPENED UP A
WHOLE NEW WORLD
TO HIM JAJA.

AFTER A WHILE —

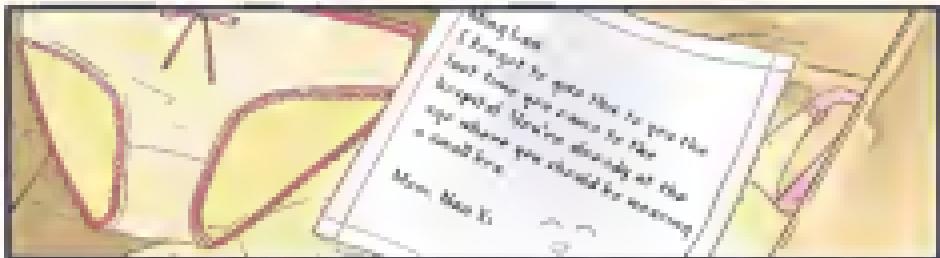

THEY WANT
IRON MAN TO
OVER SO
QUICKLY?
